

# BHPH Management

In Buy Here Pay Here Management, the dashboard is used to manage the overall status of a dealership's finance portfolio. The main screen functions as a control panel displaying general account information and deal status.

Main Menu   Sales Management   Deal Management   Inventory Management   Admin Functions

The BHPH menu categorizes current and late accounts, and also gives live summarized totals of the entire portfolio balance and suggested monthly revenue.

This console also acts as the main menu and a starting point for every account in the system. From this menu the user is able to collect payments, print receipts, and even estimate payoff amounts.

## Other Features:

- ◆ Balance Summaries
- ◆ Suggested Monthly Revenue
- ◆ Account Status Control
- ◆ Custom Follow Up Controls
- ◆ Document Late Fees
- ◆ Print Custom Receipts
- ◆ Monitor Payment History
- ◆ Estimate Custom Payoff Quotes
- ◆ Real Time Monitoring
- ◆ View Amortization Schedules
